Please contact us at [ladolce.ceo@wholefragrancebyladolceyvito.com](mailto:ladolce.ceo@wholefragrancebyladolceyvito.com) or call (212) 977-5813.

Whole Fragrance by La Dolce Y Vito (WFLD) was founded by a mother and daughter team, Irma and Vanessa who began on the dream of creating a line of perfumes that represent the ancient art of exquisite oil blending of essential oils while remaining true to the organic, eco-friendly concept in a full line of bath and body products.

Currently we carry a line of natural and organic perfumes and colognes in 10 ml, .55 oz and 1.9 oz bottles. The organic perfume oil is available in the 10 ml roll on top as well as the .55 oz travel size bottle. The organic spray in Italian premium organic alcohol is available in .55 oz travel size spray bottle. The natural perfumes and colognes are available in the 1.9 oz bottles. Bulk perfume oils and sprays can be purchased in 18 kilo canisters. Private Label is available on most of our products. We sell our products unlabeled and are happy to provide you with the ingredient lists for all products.

The Whole Fragrance's exquisite perfumes represent the Italian, French and Hip American new tradition of eco-friendly, healthy concepts. The concentrated perfume oils are liquid works of sophisticated art that express the ideals of beauty and the love of mother nature. Take for example, natural "Seven for Men" for day and the more concentrated organic "Italicimo" for evening wear, represent the elegance of Italian esthetics' with its clean, sexy "fan" top is organic Italian bergamot, West Indies lime, California orange with notes of patchouli and vetiver. WFLD also has "Poetic Whim" for women that invokes natural lasting impressions with its refined blend of rosewood, organic lavandin, Italian bergamot, clove bud, ylang-ylang with a sensual dry down of lavandin absolute and Peru balsam oil.

WFLD is revolutionizing the perfume industry with our dedication to art, aroma and beauty. We welcome the opportunity to work with you and bring this breathtaking experience to your customer base. Our perfumer has been creating perfumes for world-class perfume brands all over the world for over 45 years. This research, development and broad range experience allows us to create your complete perfume according to your specific personal requirements. If you choose to work with us on your project, we will provide you with samples at each step of the creation process, continually to the final product. Our veteran specialists can advise you on the packaging, bottles, caps, pumps and design of your product. Our aim is to work with partners who develop a solid, long-lasting business relationship allowing us to share long-term collaborations with The Whole Fragrance Experience.
